FEATURING OUR **NEW Breakthrough Technology!**
TRIOXIDIL®

HOW DOES IT WORK?

Trioxidil delivers important hair health nutrients for hair regrowth, reduced hair loss due to breakage,* and improved scalp health.

- 1 Bioactive nutrients, like biotin and jojoba oil, infuse hair and scalp.
- 2 Moisture-Lock seals in nutrients, 98% of users said Foligain soothed and calmed their scalps.*
- 3 Nourished hair follicles and scalp regrows healthy hair.

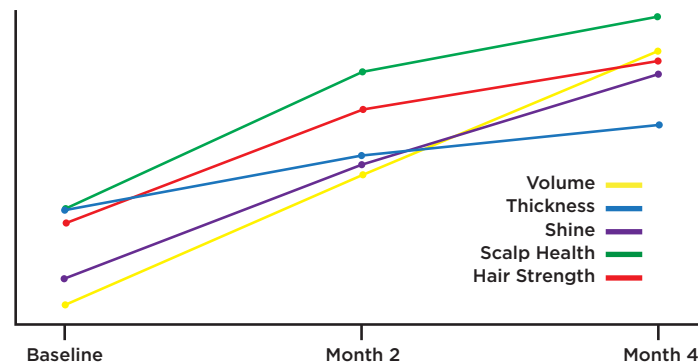

TRIPLE ACTION BENEFITS:

LOOKS STRONGER, THICKER, FULLER
Bioactives help to support hair health for younger-looking locks.

TARGETED FOR FINE, THIN-LOOKING HAIR
Bioactives help to thicken the look of hair from root to tip.

HELPS IMPROVE SCALP HEALTH
A healthy scalp provides the right environment for thicker-looking, healthy hair. Moisture-lock technology seals in nutrients and skin moisture.
