

Olfen™ Gel

Diclofenac sodium

ONE SOLUTION
FOR EACH PATIENT

Local relief of joint pain⁵

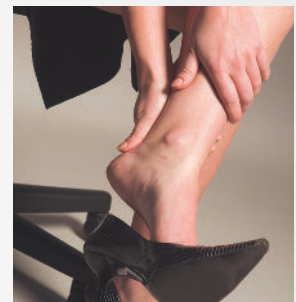

■ Hands and wrists

■ Knees

■ Elbows

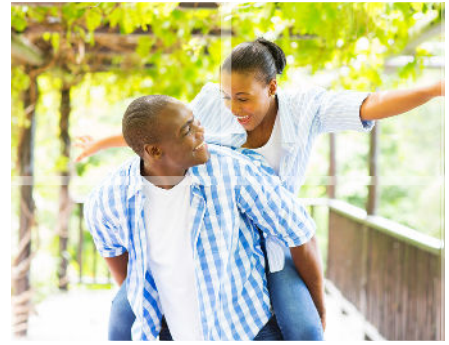

■ Ankles

Olfen™ Gel

Diclofenac sodium

ONE SOLUTION
FOR EACH PATIENT

Local relief of joint pain⁵ Solution vs. Emulsion Gel

- Better skin absorption¹¹
- Refreshing effect which reduces pain (isopropyl evaporation)¹¹
- Does not have paraffin (averts grease stains on clothing)¹¹

Formulation
with isopropyl

Recommended
posology⁵

3-4 times per
day⁵

Available in tubes with 20 g and 50 g
